HELP WANTED!

APPLIANCE TECHNICIAN NEEDED!

FULL TIME OR PART TIME, LONG TERM-PERMANENT!

- Full line dealer that sells Speed Queen washers and dryers.
- Extended warranty provider for Lowe's and The Home Depot.
- We are a fast growing family business with Saturday work available but not required.
- Factory Authorized and Factory Training Provided.
- We provide warranty work for the units we sell plus all Electrolux / Frigidaire brands.
- We are seeking an Appliance Technician for residential major appliances only.
- We cover several counties for in-warranty and out-of-warranty work.
- We pay weekly, timely and commission. The more you work, the more you make.
- We pay Higher commission rates if you are willing to use your vehicle.
- We have one of the highest warranty rates in the industry. (Yea, we're that good)
- We will provide a van, uniforms, fuel card, parts resources, and a smart phone.
- You must be willing to work on all major brands of residential appliances.
- Microwaves, Ranges, Refrig, Washers, Dryers, Dishwashers, and more.
- Must have appliance knowledge; be willing to work hard & capable of lifting only for repair.
- Minimum of 3 years experience and have your own tools.
- Good driving record, pass a background and a drug test.
- The ability to perform sealed system repairs is a bonus.
- If you are tired of corporate B.S. and you want to join a fun team...give us a call.
- Please send us your resume. Serious people only. We need help!
